Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. How To Develop The Leadership Characteristic Already Within You Leaders change the world. Leaders inspire others. Leaders live their passion Vision Knowing what you want and where you are going is vital. The next step is picturing, in your mind, exactly what you want down to the smallest detail. On a second look you will find humility running through every great modern day leader. The role of a leader is to serve the people following them. Can you think less of yourself and more of others, to best meet their needs? It's not as easy as it sounds. Self Discipline If you cannot control yourself you will NEVER have the control of others. You will never be able to keep a team around you who complement your strengths and enhance your weakness. Without those people the dream is just that, a dream, and...
